

Applicant: Tseng et al.
Application No.: 10/758,628

REMARKS/ARGUMENTS

The Amendment cancels claims 1 and 11-37, and amends claims 2, 5, 7, 8, 9, and 10.

The Examiner indicated that claim 10 would be allowable if rewritten in independent form, as has been done above. Thus claim 10 should be allowable, and claims 2-9, which depend therefrom, should also be allowable.

If the Examiner believes that any additional minor formal matters need to be addressed in order to place this application in condition for allowance, or that a telephone interview will help to materially advance the prosecution of this application, the Examiner is invited to contact the undersigned by telephone at the Examiner's convenience.

Respectfully submitted,

Tseng et al.
